#### A Training of Trainers Course on TQM Conducted

Bangladesh Society for Total Quality Management (BSTQM) organized a Training course on “Training of Trainers on Total Quality Management (TQM)”. Members of teaching faculty of various academic institutions participated in the program. It was primarily aimed at teachers who would be working as resource persons for promoting TQM in academic institutions. BSTQM is engaged in promoting Quality Management in academic institutions. Every year it receives several requests to provide training to academic institutions from different parts of the country.

Nineteen delegates representing 13 institutions participated in the course. It was held from 26 February to 03 March 2010 over a period of 6 days. Participants were familiar with TQM. This course provided an insight how it can be taught to other teachers and students.
