We have a full day programme of quality speakers from award winning organisations, an interactive workshop, an update from our NZOQ President, lunch and refreshments throughout the day plus even a private stardome observatory theatre show for the Value-packed MEMBER ONLY RATE OF \$50!

It's our way of saying thanks to our members and affiliated member organisations for their support of NZOQ and to give something back to those hit hard by the recession! This has been made possible by the generosity of our sponsor organisations and the NZOQ Northern branch committee members who are keen to ensure we can celebrate the work of the those of us involved in the area of quality management and business improvement in general.

Please register as soon as possible to avoid disappointment at missing out on this wonderful event and the opportunity to celebrate another NZOQ World Quality day!
